

EMERGENCY DONATION REQUEST

The community of Haines was hit by multiple mud and landslides and we are asking all tribal citizens, communities and friends to take this moment to support this community in need by making a donation.

Reports indicate that 50 people have been displaced, homes have been destroyed, and several people are missing or trapped. Tlingit & Haida's Tribal Emergency Operations Center has been in contact with Chilkoot Indian Association and is coordinating efforts to provide food, clothing and shelter to those that have been impacted.

WAYS TO DONATE:
