

HAINES DISASTER RELIEF DONORS

Gunalchéesh, Háwaa!

The outpouring of support for the community of Haines has been tremendous. We are truly showing the strength of our region and that we are one big family in Southeast Alaska that takes care of each other.

To date, Tlingit & Haida has received over 550 monetary donations totaling more than \$44k for Haines. Let's keep giving so we can assist the families that have been displaced, lost their homes or have extensive repairs to their homes and driveways.
