FOR IMMEDIATE RELEASE

May 1, 2014

**Andrew Hope Building
Parking Lot Improvement Project Completed**

Central Council of the Tlingit and Haida Indian Tribes of Alaska's (Tlingit Haida) employees and visitors are enjoying improved parking facilities at the Tribe's main headquarters (Andrew Hope Building) located at 320 West Willoughby Avenue in Juneau, Alaska. The improvements made to the parking lot which were completed through Tlingit Haida's Tribal

Transportation Department include installation of perimeter lighting and fencing, drain system, asphalt resurfacing, and striping.

The parking lot construction contract in the amount of \$270,000 was awarded to Southeast Construction (SECON) and funded through the Federal Highway Administration's Tribal Transportation

Program (formerly the Indian Reservation Roads Program). Construction was initially set to begin last fall, but was halted due to weather.

"This project has not only improved the functionality and traffic flow of the parking lot, but also the appearance of our tribal properties," said Tribal Transportation Manager Will Ware.

Tlingit Haida would like to thank SECON and the Tribal Transportation Department for a job well done.
