

# TAASHUKA HEAD START

JANUARY 2016  
WEEK 2

Tribal Value:  
*Speak with Care*

## This week in the classroom:

Creation Station  
Color Mixing  
Epson Salt Art  
Hammering frozen toys

## **Kindergarten Readiness Tip of the Week:**

When reading together, let your child take more control in reading by turning the pages, pointing to the title of the book, and retelling some favorite parts of familiar stories. If they're ready, talk about what an author and an illustrator are.

**Help us make  
an igloo!**

**Please bring in your  
rinsed out milk jugs! We  
need some more!**

## **IMPORTANT DATES:**

### January 15: **NO BUS**

We will have school on Friday, but no bussing available. Families will be responsible for transportation, if possible. We understand if students aren't able to make it because of transportation.

### January 18: **Martin Luther King Jr. Day**

No Teachers will be in the classroom

### January 20: **Family Night at 5:30pm**

This month's topic is *Financial Literacy!*

Come make a homemade piggy bank! We will provide the supplies: spray painted plastic bottle body and egg carton feet, ears, googly eyes, and markers. You get to help put it together and your child will decorate! Siblings can make one too!

Also join us in planning our end of the year celebration and coming up with ideas on how we should fundraise for it!

We will also talk a bit about budgeting and where to get your taxes done for free!

### On the Menu: Spaghetti!

A very generous parent has volunteered to make sauce for our spaghetti dinner.

Students will help make the noodles during class and also some garlic cheesy bread.

Families are always welcome to bring sides or goodies to family night if desired.
