PARENT CORNER

Dear families,

WELCOME BACK TO A NEW AND EXCITING 2016 SCHOOL YEAR! I HOPE EVERYONE ENJOYED THEIR WINTER BREAK AS MUCH AS THE STAFF DID ☺ WE ARE ALL REJUVENATED AND READY TO ROLL.

We are reviewing all of the expectations and getting back into the routine. Our focus is on academics and getting ready to go to the big school. This year we have 14 students graduating to Kindergarten. Most of them are proficient in writing their names and doing early invented spelling. The beginners are exploring and discovering the letters and the sounds they represent, numbers are being recognized and they can count meaningfully to 10 or 20. Some of our advanced students are being leaders and readers for the younger children and helping the teachers. We are building confidence and growing every day.

If any of the parents want to come in and do an activity or hobby, share some home or work related skill or just play and tell stories, please let us know.

Please read the white board for updates.

Parent meeting Jan. 20th at 6:30 pumpkin pie and cool whip will be served! Playground decisions to make. Wells Fargo manager, Allisha Mollen will do some simple finance training 101 to help you make your goals towards New Year's resolutions.
